Care Monkey

PLEASE NOTE - after registering, you will be sent an email from Care Monkey in the days following. We use Care Monkey to collect important medical information regarding your child, and we greatly appreciate you taking the time to fill in the requested information as it enables us to have your child's medical information at our fingertips, rather than on a paper form that needs to be dug out in the event of a medical issue occurring.

You will continue to receive reminders from Care Monkey every few days until you complete the medical profile online.

If you have any questions or concerns regarding Care Monkey, please contact registrar@frankstonrovers.com.au
